

TODAYS ARCHITECTS

The future of Architecture is TODAY

COMPANY PROFILE

About TAPL

17+
**YEARS OF
EXPERTISE**

*An integrated architecture and interior design firm
delivering end-to-end design and turnkey solutions
across commercial, residential, retail, hospitality,
and institutional projects.*

Established in 2009, Today's Architects Pvt. Ltd. is a Delhi NCR-based design and interior solutions firm known for its client-centric approach and design integrity. We believe great spaces emerge when functionality, aesthetics, and user experience align seamlessly.

Our philosophy focuses on substance over style—where listening to clients, understanding budgets, and executing with precision result in meaningful, value-driven environments.

Our Core Services

End-to-end solutions driven by design precision and execution excellence.

◆ Architecture & Interior Design Consultancy

Strategic space planning with design concepts, 3D visualisations, and finishes aligned to user needs and budgets.

◆ Design & Build (Fit-Out Solutions)

Single-point design-to-execution delivery ensuring quality, cost control, and timely completion.

◆ Project Management & Construction Administration

End-to-end planning and site supervision ensuring design accuracy, compliance, and execution control.

◆ Procurement & Vendor Coordination

Efficient sourcing and vendor management aligned with design intent, quality, and timelines.

◆ MEP Services

“Every brick wants to be
Even a brick wants to be something
SOMETHING.”

At **Today's Architects**, we shape that intention into meaningful spaces.

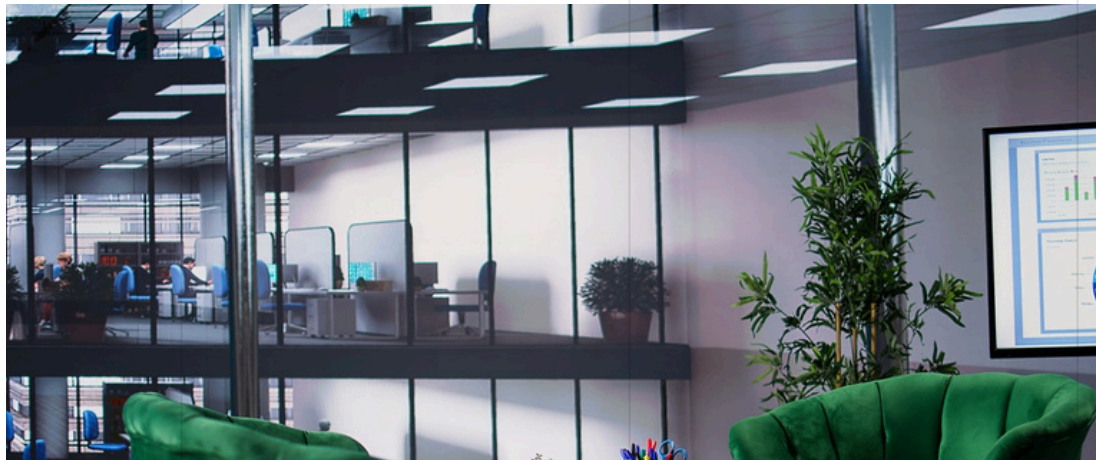

PROJECT SHOWCASE

Every project we undertake begins with a clear understanding of purpose, users, and context. What follows is a curated selection of our work—where approved **3D visualisations** translate into built environments with **high accuracy, detailing, and execution control.**

These projects reflect our commitment to design integrity, technical precision, and **seamless delivery across sectors and scales.**

Where every envisioned solution is backed by our promise of delivery

As
Rendered.

As
Built.

Through detailed planning, technical coordination, and strict on-site supervision, we ensure that the transition from 3D render to on-ground execution remains true to the original design vision.

Our happy clients
